Museum Accessibility

Constructed in 1908, our beautiful Beaux-Arts building reflects the sensibilities of the time—which includes design that poses a challenge for wheelchair and medical device access. While we are constantly working to make our national historic landmark building ADA compliant, **please let us know if a challenge arises** and we will do our best to assist and address it in any way we can.

For **ELEVATOR ACCESS** between the upper and lower levels, as well as accessible entrance to the Medicinal Garden via 22nd St., please see a security officer or visitor services associate.

The Mütter Museum has a limited number of **WHEELCHAIRS** available for guest use on request, please see a security officer or visitor services associate.

ASL VIDEOS about select exhibits are available online at: muttr.org/asltour

ABOUT THE HISTORICAL LANGUAGE IN THE MUSEUM EXHIBITS

Throughout our exhibits, but most heavily in the Hyrtl Skull Collection, you may see terms used that are not medically or socially appropriate today. While we understand that some of these terms are offensive by contemporary standards, they held different, specific meanings within the context of medical history and that is why they are included on the labels.

For any questions, comments and concerns regarding accessibility, please email us at:
accessibility@collegeofphysicians.org

Mütter Museum Hours 10AM–5PM DAILY

MUSEUM CLOSED ON:

*Thanksgiving, December 24,
December 25, January 1*

Museum Policies

NO PHOTOGRAPHY is permitted in the main museum galleries, for a variety of reasons concerning the real human specimens in the collection, *this policy is strictly enforced*. Photography is allowed in the lobby, garden, and Thomson Gallery.

NO BACKPACKS or any other bags that can be worn on the back are permitted. Large bags may also not be permitted at Security's discretion. Lockers are available in the coat room for secure storage.

NO STROLLERS are permitted in the museum galleries. Strollers may be stored in the coat room for the duration of your visit.

NO FOOD OR DRINK is permitted in the museum galleries.
